JUNE ELVIDGE—ALHAMBRA.

June Elvidge, one of the most popular screen stars, will present her latest picture, "The Spite Bride," at the Alhambra today for the last showing. This picture is especially pleasing, being a comedy drama of many entertaining qualities. Sam H. Hardy, the celebrated stage comedian, plays opposite Miss Elvidge and the pair certainly make a team. Tomorrow the Alhambra announces the first of the new Select pictures, which have taken the country by storm. This picture is "The Spite Bride," and is played by the beautiful young star, Olive Thomas.

ELLANAY—CHARLES RAY.

Charles Ray is appearing at the Ellanay today for the last and final time in his amusing and genuinely human portrayal of the country "booby"—Bill Henry.

Those who have not yet seen this enjoyable and highly entertaining picture should visit the last and final showing. It is more than worth your while.

Tomorrow the Ellanay presents Tom Moore, he of the fetching smile, in his latest Goldwyn success, "Heartbeats."

GRECIAN—CHARLIE CHAPLIN.

Today is positively the last day to laugh at and with the one and only Charlie Chaplin in his three-reel comedy scream, "Sunshine."

In addition to "Sunshine," a brand new two-reel western thriller, "The Trapped," will also be shown today. Don't miss this great Saturday bill which is being shown at the Grecean at popular prices. Adults are 15 cents; children, 5 cents.

CONSTANCE TALMADGE AT ELJOS.

A breezy, farcical, comedy plus drama, "Happiness is a Mode," Constance Talmadge's latest Select picture, is being shown at the Eljos theater today and Sunday.

Universal Current Events No. 25, in which Maj. Orde Lee, late of the Royal Air Force, is seen leaping from a swift moving airplane to test a parachute, will be shown also.

Better Eyesight—Better Grades.

If your child's eyesight is the least bit defective you will notice a decrease in his grade at school. Have this attended to at once as nothing could possibly do more harm to his general system than defective eyesight. Let our expert optician examine his eyes and if he needs glasses we will fit them perfectly. New Glasses at El Paso Optical Co.
